

PREWORKSCREEN – AN EMPLOYEE SELF-SCREENING, VACCINE, AND TESTING TRACKING APP www.Previewscreen.com

Previewscreen consists of three fundamental COVID software packets:

I. Vaccine and Test Tracking and Verification

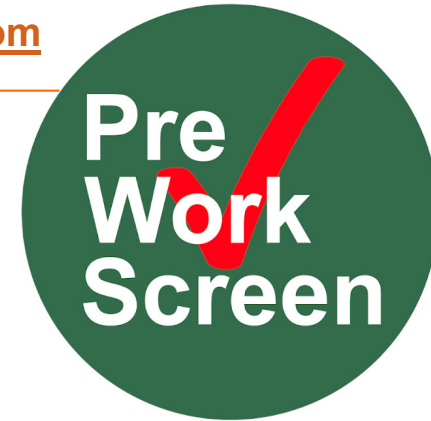

1. Employee submit vaccine and test records via mobile App or company URL
2. Automation of COVID vaccine and test management
3. Compliance with OSHA ETS's requirements
4. User-friendly functional features for HR/Safety/Admin

II. Daily COVID-19 symptom self-screening

1. Daily covid-19 symptom health report per schedule of office days
2. Automation of COVID responses, action, and management based on policy
3. Secure and lightweight app for employees

III. Visitor self-screening and vaccination report

1. QR code and a link via App or web for visitors
2. Powerful visitor management functions, such as by inviter, department, or groups

- ☐ The first employee COVID App since 05/29/2020
- ☐ Partly developed through **NIST** Funding
- ☐ The most popular employee COVID App in U.S., Canada, and Mexico
- ☐ Trusted by 10000+ Companies, Government organizations, and Non-profits
- ☐ Professional implementation and supports

- ☐ Only \$2.45 for Vaccine & Test Tracking (I)
- ☐ Only \$3.45 for a complete solution (I&II)
- ☐ Month subscription and terminate any time
- ☐ Extra saving for year subscription

SECURE AND POWERFUL HR/SAFETY ADMIN DASHBOARD FOR EMPLOYEE HEALTH SELF-SCREENING, VACCINE AND TRACKING

Health Self-assessment, Vaccine & Test Tracking Platform

English

Automated Employee Account Provisioning
